

Banking Considerations during COVID-19

EagleBank is here for you, especially in challenging times. Right now, you may be worried about depositing paper checks and other services you may routinely conduct in-person. So we want to remind you of **5 Tools You Can Use** during this period of social distancing.

Please visit our [Treasury Services](#) page to learn more about these products and services.

BANK ONLINE.

Online banking provides multiple ways to conduct daily business activities without the need to leave your home or office. Account activity is available online, including check and deposit images. You can sign up today at EagleBankCorp.com.

SET ALERTS.

Alerts can be set up to let you know when certain transactions post or balances are at a particular level. Fraud prevention tools such as Positive Pay and debit blocks also help prevent unauthorized transactions.

AUTOMATE PAYMENT EFFICIENCY.

ACH, Wires, or Bill Pay allow you to either make or collect payments. These online services can eliminate the need for checks or trips to a post office, and enable faster payment.

Business

DOWNLOAD OUR MOBILE APP.

Remote Deposit services are available through your mobile phone and tablets immediately upon downloading our mobile app(s). Desktop scanners for your business location are available to those who have larger volumes.

USE A DEBIT CARD.

In addition to online banking, debit cards allow you to make payments online or over the phone. Our SecurLOCK Equip app gives you the ability to set alerts, transaction type restrictions, transaction limits, and even turn your debit card off. Adding them to your digital wallet will also allow you to make contactless payments.
