

Stay Alert: Fraudsters Posing as EagleBank Employees

EagleBank will never call, text, or email you to ask for your password, PIN, one-time passcodes, or online banking credentials. If you receive a suspicious call claiming to be EagleBank, do not share information. Hang up and call us directly at [301.986.1800](tel:301.986.1800).

What to Watch For

Scammers may impersonate EagleBank and claim there's urgent or suspicious activity on your account. They often spoof phone numbers or send texts/emails with links to fake websites to steal your information.

How to Protect Yourself

- Do not trust caller ID—hang up and call a known number
- Never share passwords, PINs, or passcodes
- Do not click links in unsolicited messages
- Ignore transaction requests you did not initiate
- Monitor your accounts regularly

Report It

If something does not feel right, stop the interaction and contact us immediately at [301.986.1800](tel:301.986.1800).

Reminder: EagleBank will never ask for sensitive information through unsolicited calls, texts, or emails.
