Veteran Commercial Real Estate Banker Cesar “Ces” Escamilla Joins EagleBank to Accelerate Growth

BETHESDA, MD. Eagle Bancorp, Inc. (NASDAQ: EGBN), the Bethesda-based holding company for EagleBank, one of the largest community banks in the Washington, D.C. region, announced today that Ces Escamilla has joined EagleBank as 1st Senior Vice President, Senior Director of Commercial Real Estate (CRE) Strategic Growth.

In this newly created role, Escamilla will lead efforts to expand EagleBank's CRE lending capabilities by helping architect, launch and scale new lines of business and specialized financing solutions. He will also focus on identifying and advancing strategic growth opportunities that broaden the bank's capabilities, enhance client solutions, and support the continued evolution of EagleBank's commercial real estate platform.

Escamilla brings more than 20 years of commercial real estate banking experience, with a track record of building and repositioning lending businesses, leading teams, and developing relationships with institutional real estate sponsors. He joins EagleBank from Truist Bank, where he most recently served as Senior Vice President, National Real Estate, Mid-Atlantic Region.

“Ces brings the experience, relationships and business development expertise to help accelerate the growth of our commercial real estate business,” said Ryan Riel, EagleBank Senior Executive Vice President and Chief Real Estate Lending Officer. “His ability to develop specialized lending solutions and build scalable, client-oriented businesses will be valuable as we expand our capabilities and pursue disciplined, profitable growth.”

“EagleBank has built a strong commercial real estate franchise and deep relationships across the market,” said Escamilla. “I’m excited to work with the broader team to build on that foundation by developing new lines of business and capabilities that expand the platform, offer clients a wider range of solutions and position the CRE business for long-term growth.”
