**EAGLE BANCORP, INC. ANNOUNCES FIRST  
SHARE REPURCHASE PROGRAM**

BETHESDA, MARYLAND, August 9, 2019. Eagle Bancorp, Inc. (Nasdaq – EGBN) (the “Company”) announced today that its Board of Directors had adopted its first share repurchase program. Under the repurchase program, the Company may repurchase up to 1,715,547 shares of its common stock, or approximately 5% of its outstanding shares of common stock at June 30, 2019. The repurchase program will expire on December 31, 2019, subject to earlier termination of the program by the Board of Directors. As of June 30, 2019, the Company had approximately 34,539,853 shares outstanding.

Repurchases may be made in open market purchases, block trades or in privately negotiated transactions. Repurchases, if any, under the program will be made at the discretion of management, and will depend upon market pricing and conditions, business, legal, accounting and other considerations. Open market purchases will be conducted in accordance with the limitation of Rule 10b-18 of the Securities and Exchange Commission (the “SEC”). Repurchases may be made pursuant to any trading plan that may be adopted in accordance with SEC Rule 10b5-1, which would permit common stock to be repurchased when the Company might otherwise be precluded from doing so under insider trading laws. Under applicable law, repurchased shares will be cancelled and revert to the status of authorized but unissued shares.

The repurchase program may be modified, suspended or terminated at any time without notice, in the Company’s discretion, based upon a number of factors, including market conditions, the cost of repurchasing shares, the availability of alternative investment opportunities, liquidity, the need for capital in the Company’s operations and other factors deemed appropriate. These factors may also affect the timing and amount of share repurchases. The repurchase program does not obligate the Company to repurchase any shares.
